

# Business Facilities VIDEO SHOWCASE

## SHOWCASE YOUR LOCATION

*Business Facilities* is excited to announce the launch of a new program—designed to promote your location in the most effective way possible!

The *Business Facilities Video Showcase* delivers professional-quality, custom video about your location to qualified executives with active expansion, relocation and consolidation plans. Plus, all videos are produced by experts in the economic development field.

Shot on-location around the U.S., the *Business Facilities Video Showcase* features voiceover narration and interviews with local government officials and corporate CEOs—all promoting the benefits of your location.

The *Business Facilities Video Showcase* will be delivered through a variety of channels, including:

- Dedicated email campaigns
- Online at [BusinessFacilities.com](http://BusinessFacilities.com)
- Social networks
- Print ads
